Air Activities Staged Activity Badge

Select a stage: 1 2 3 4 5 6

Activity: Foam Rockets

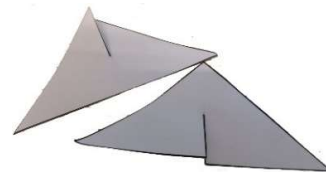

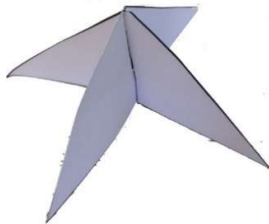

You will need

- 30 cm of Pipe Insulation 15mm
- Rubber band
- Duct/brown/sellotape
- Fins made from cardboard – see template

Instructions

Using scissors, make 4 fins by cutting the black line from the cardboard cut out

Slot the fins together

Cut slits in the insulation pipe and put the fins into the slits in the foam. Wrap some tape around the bottom of the tube

Cut a length of duct tape and fold it over

Feed the rubber band through the tape and attach it to the top of the foam with more tape

Fire rocket!

Risk Assessment

Who is at risk?	Beavers
What are the risks?	Cuts whilst using scissors
How can the risks be minimized?	Adequate adult supervision
