

## **SURREY COUNTY SCOUT COUNCIL**

### **County Commissioner's Discretionary Fund**

The County Commissioner's Discretionary Fund exists to help with individual cases of hardship to enable a member of Surrey Scouts to take part in a Scouting activity that they would not otherwise be able to participate in.

Applications for grants from the Fund may only be made by the appropriate District Commissioner using the appropriate form. The application form requires details of the activity that the young person would like to participate in, the relevant costs of that activity and why help is being asked for to enable the person to take part in that activity.

If approved, the grant will be paid using BACS so details of an appropriate bank account to which the money should be paid are required.

When completed and signed, the form should be sent to the County Administrator who will arrange for consideration to be given to this application.

Completed forms should be sent to
