

Beavers Cook Activity Badge

Activity: Very Hungry Caterpillar Snack

You will need

- 2 x green apples or pears
- 1 x strawberry
- A few raisins
- 2 x cocktail sticks

Instructions

Prepare your fruit by chopping the apple and pear. Keep some apple back to make the antennae and eyes. Chop the raisins into feet and a small piece for a nose. Put the slices together on the plate to make the caterpillar body. Add the strawberry for the head. (If it is a very round strawberry cut a slice off the back so it lays flat) Add the feet and eyes

and nose. To attach the antennae push small pieces of apple on to half a cocktail stick then push them into the strawberry. ****Be careful when you eat it to remove the cocktail sticks****

Risk Assessment

Who is at risk?	Beavers
What are the risks?	Cuts Allergies
How can the risks be minimized?	Adequate adult supervision Adults to check list of ingredients for possible allergens.
