

Beavers Creative Activity Badge

Activity: Frozen Picture

You will need

- Large jar lid
- Selection of small natural items collected from the garden/park twigs / leaves etc
- Water
- Access to a freezer

Instructions

- Arrange the twigs / leaves / berries etc in the lid (or half sticking out, to make a 3D effect)
- Gently fill with water
- Freeze flat (you might even be able to turn it out once frozen, so you can see it from all sides)

Risk Assessment

Who is at risk?	Beavers
What are the risks?	Germs on hands picking up natural items
How can the risks be minimized?	Wash hands well after handling. Adequate adult supervision
