Activity: No Sew Sock Snowman

You will need:

- 1 white sock
- 1 colourful sock for the hat (you can use patterned or stripy).
- Rice
- Elastic Bands (or thread)
- Colourful buttons
- Ribbons
- Glue Gun or Dots
- Marker pens or paint
- Orange pom poms

Instructions

- 1.Fill your sock with rice until you have a nice fat ball with a little bit of give (this will probably take more rice than you expect!). Tie the top with an elastic band, or sew together.
- 2.Place another band just above the middle of the snowman, so that the bottom half is slightly bigger than the top.
- 3.Glue buttons to the bottom side with a glue gun or glue dots.
- 4.Draw on the mouth and eyes with a black marker or paint. You can also add rosy cheeks and any other details you want.
5. Stick two orange pom poms together for the nose
6. Add a ribbon for the scarf and glue to secure.
7. Cut the coloured sock and roll up the edges to make a hat. Secure with glue if needs be. Why not make a few and have your own snowman family?
