

5th - 6th February 2022

Reach for the Stars Returns for a Winter Special!

There is loads to do at Reach for the Stars - a camp at home weekend of fun activities for Beaver Scouts and taking part costs nothing! The special Reach for the Stars badge is waiting for all participants.

Each Beaver attending needs to be registered - the same email address can be used if there is more than one Beaver in a family.

The focus of this camp is badge work and there will be lots to work on with lots of resources to help!

Training sessions are available for leaders too.

Register now:
