

## The Raft Challenge!

Challenge: Your task is to build and float a raft in a paddling pool or bath. Then upload your pictures to: <a href="https://surreyscouts.smugmug.com/upload/hD42hS/seascoutschallenge">https://surreyscouts.smugmug.com/upload/hD42hS/seascoutschallenge</a>

- The raft should be built from recycled or reclaimed materials.
- The ability to stay afloat for at least 20 minutes.
- The ability to carry something weighing 200g or more. (roughly half a tin of soup...)
- A mast, which must be at least 10cm high

Beyond that, it is down to your ingenuity to impress us.

Pictures of rafts (floating) can be sent to <u>warspiteseascouts@gmail.com</u> and there will be a prize of Chocolate Buttons and a copy of "Nautical Skills for Scouts" book for the best in each section.

Closing date is the 20th August.
