

Roar Collage Challenge!

Challenge: Use whatever you can find at home to create your own version of the Roar logo. Use things from indoors or outdoors to make you own roaring Surrey Lion. Use the grass, a table, a tablecloth - anything as the basis of your work! Place your items on your backdrop and let the magic happen! Then upload your pictures to: <https://surreyscouts.smugmug.com/upload/CpNqWs/collage>
