

## Beavers Space Activity Badge

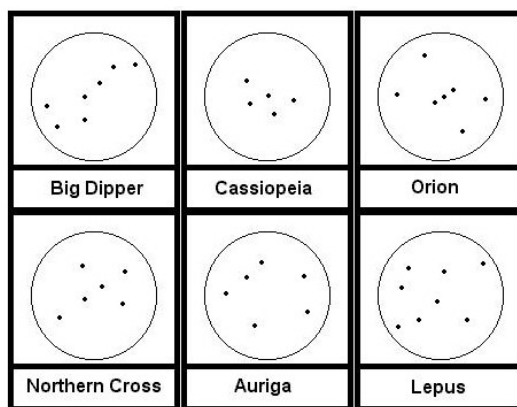

### Activity: Constellation Biscuits

#### You will need

- Rich Tea or Digestive biscuits
- Icing sugar
- Water
- Silver ball cake decorations

#### Instructions

Constellations are groups of stars in the night sky. To make constellation biscuits take 4 tablespoons of icing sugar & slowly add water to make a thick, spreadable icing. Spread the icing over the biscuits then mark out the constellations with the silver ball cake decorations. See if you can spot these constellations in the sky.
