

Beavers Space Activity Badge

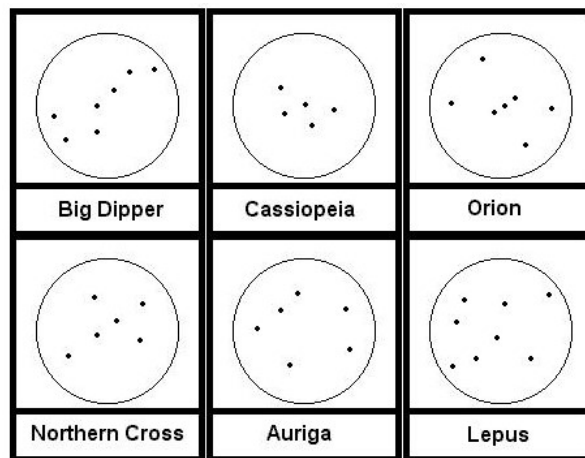

Activity: Constellation viewer

You will need

- Cardboard tube, or a Pringles tube with both ends removed
- Black paper (ideally – but any colour would do)
- Pencil
- Scissors
- Elastic band
- Pin

Instructions

Place the cardboard tube on the paper & draw around the tube. Remove the tube then draw an outer circle approximately 1cm bigger around the circle you have drawn. Cut the bigger circle out & place centrally on top of the tube & secure with an elastic band. Using a pin mark out one of the constellations below making a prick mark for every star in the constellation. Point the tube towards the light & look in the open end – you should see the shape of your constellation!
