

Beavers Space Activity Badge

Activity: Sewing Constellations

You will need

- A4 Card that can go through a printer
- Hole punch
- Wool or string
- Child safe needle or make a needle equivalent from a pipe cleaner
- Access to the internet and a printer to print cards

Instructions

Constellations are groups of stars in the night sky.

Follow this link to print cards of constellations.

<https://kidsactivitiesblog.com/53553/star-sewing-cards-kids/>

Use the hole punch to make holes for each of the stars and then use the string or wool to sew the pattern of the constellation.
