

SURREY
ROAR!
2020

14th – 16th August 2020

Surrey's first ever whole county stay at home camp!

Everyone can join in with this weekend of fun.

There's loads of challenges and activities to get involved with and a range of training opportunities for adult volunteers too. Join us for a live campfire in the evening with your smores and blanket.

Every participant needs to register individually - the same email address can be used if families are registering multiple participants.

Taking part costs nothing and there's loads to gain, including a brilliant, limited edition ROAR 2020 badge!
